The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Huntington Downtown Water Main Replacements in Fiscal Year 2026. The entity to receive funding for this project is Huntington City Water Utility, located at 300 Cherry Street Huntington, IN 46750. The funding would be used to replace the aging water infrastructure beneath the downtown area in Huntington, Indiana.

The project is an appropriate use of taxpayer funds because it will directly support and bolster public health by ensuring clean drinking water to residents of the downtown Huntington region, as well as downtown vendors.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marlin Stutzman
Member of Congress
