

Congress of the United States
House of Representatives
Washington, DC 20515-1403

March 13, 2026

The Honorable Tom Cole
H-307, U.S. Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Steuben County, Indiana CR 100 N Corridor Reconstruction in Fiscal Year 2027. The entity to receive funding for this project is Steuben County, located at 1900 N 200 W, Angola, IN 46703. The funding would be used to complete Preliminary Engineering (PE) and right-of-way for the CR 100 N Corridor Reconstruction Project.

The project is an appropriate use of taxpayer funds because CR 100 N is a deteriorating corridor serving residents of unincorporated Steuben County and functioning as a gateway into the City of Angola. The roadway exhibits pavement degradation, drainage deficiencies, and outdated geometry that reduce safety and increase maintenance costs. This project would deliver long-term transportation safety, public health, and infrastructure resilience benefits.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marlin Stutzman
Member of Congress
